MEMORANDUM TO: Assistant Director for Policy Coordination
Assistant Director for Special Operations
Assistant Director for Operations

SUBJECT: Partial Shipments of Household Goods

25X1A

25X1A

1. During the current emergency international situation authority is hereby granted to extend provisions of [REDACTED] dated 6 January 1950, to include the crating and shipment back to the United States, at government expense, of partial quantities of household goods, the weight of such quantities to be deducted from the authorized weight allowances when the balance of such household goods is shipped upon the return of an employee and his dependents from an overseas station.

25X1A

2. Justification for each such shipment will be a certification from the Chief of Station concerned that the local situation warrants a finding of the prevalence of disturbed conditions and possibility, though indefinite, of danger to property without sufficient advanced warning for its evacuation.
